'No More Guessing For Mine'

Said a corpolent friend of ours the other day, 'I always paid \$45 for my clothes and had to guess what they would got the said and the said of the world got the said of the said of the world got the said of the said of the of fittings thrown in. This type system of yours is great and this \$22.50 suit is a wonder!"

-Well yesterday our friend brought another friend named Hill. Bill wasn't so round, but had it in length and in four hours we had him fitted perfecily—at \$12.50 too!
